

WE WILL KEEP THEM IN... WE CAN KEEP THREATS OUT!

Seeking a perimeter security solution to address incoming contraband? **Minimal budget** to work with?

PROTECH IS “LOOKING OUT” FOR YOU *And for contraband coming over your fence*

- Early warning and situational awareness beyond, between and inside the fence lines.
- Tailored solutions for sites that border on public spaces.
- Infrastructure-free systems that are easy to install and maintain.
- Experienced in securing correctional facilities world-wide.

PROTECH is a leading manufacturer of perimeter security systems that detect intrusions when every second counts. We mitigate risk to ensure your perimeter is not compromised.

OUR PERIMETER SECURITY SOLUTIONS

EASY INSTALLATION:

Independent barrier, no civil engineering or cabling required; our fence-mounted solutions are installed in minutes.

RELIABILITY:

Communication through secure radio protocol. Industry-leading high probability of detection.

RANGE:

Offering a wide range of perimeter security technologies to address the varying requirements of correctional facilities.
